WE ARE
EUROPE

...the travel, our rights, better cities and clean air; 70 years of peace; women and men, parents and kids; the right to love whoever we want; science, art, music and culture; our spare time and our work time; action on climate change and the fight against global poverty; food and farmers, protected wildlife and beautiful beaches; our friends and our families; and the freedom to live, study, work and play in 28 countries...
